You have to finish it by today and send it by express, got it?!
Okay.
Sis, I am here.
What brings you here ?
You might leave me again, so I came to you instead.
Go Un..., you have to remain at school after classes.
What?! Why ?!
Teacher gives you a task. You have to check names on the papers at the front and hand them over to him.
Why would I do that?
You are the vice class rep now. Didn't you know ?
What ?!
When and how did I become one ?!
You can ask our home room teacher if you doubt me.
I can leave right after I am done with that, right?
No !
So, he has to stay at school...
Sis is getting depressed. I gotta do something.
Oppa, aren't you tagging along today?
Big sis, can't you do it by yourself, pretty please ?
No, I cannot.
I see...
Oppa, you have to come ASAP !
That idiot-tongue might hit on my sister otherwise !
Now, let's go, gross-oppa.
Gross?
Yeah...
By the way, didn't you start over yesterday ?
I sure did ... Look.
What's this ... Is that me ?
Yeah.
Are you moved ?
Moved ?! Who gave you permission to draw me ?!
Uh ...
It is a good drawing though.
Above average, I guess.
Yours isn't so bad, either, So Sim-He.
Let me see, let me see !
Sis, yours has emotions embedded, I think ...
.... Yeah ?
Time for final touches !
Yeah !
This is all, right ?!
Yeah.
I am leaving then.
Um..., Ga-Un.
What.
I am sorry that I made you angry a while ago. I am sorry.
What is she up to now ...
Don't mind it. I mean I've already forgotten.
But ...
I did mean it when I said I was interested in you.
Do you want to go out with me?
I could send yours as well along mine.
No..., it's ok. I will send it.
And ... thanks for ... everything...
Not a problem!
You aren't so bad, oppa ! Bye bye !
Don't forget to send it by express tomorrow morning !
Ok ! See you tomorrow !
I think he likes you also.
What ?! And what do you mean "also" ?!
Nevermind...
Come on, you like Ga-Un oppa and he likes you.... Oh well, it's you, sis, I guess.
What's going on ? An event?
They say he is The Pied Piper of Hamelin.
Cats are following him around.
The Pied Piper of Hamelin?
Black's 4th transformation
He must really like cats...
